Career Objective

UI/UX Designer with 3+ years of experience delivering high-quality designs for SaaS and mobile products. Proven track record in improving usability, creating scalable design systems, and crafting brand guidelines that drive user engagement and product success.

Work Experiences

Design Engineer

Dec 2024 - Jun 2025

Skript - Full Time - On site

- Created brand guidelines, including new logo for two products FeatureOS (feedback management tool) and Seek (hiring platform).
- Worked on feature improvements as a UI/UX designer, enhancing the product's usability and visual appeal.

UI UX Designer

Jun 2022 - Feb 2024

Freightify - Full Time - On site

- Created intuitive and visually appealing user interfaces for web and mobile applications.
- Collaborated with cross-functional teams to develop wireframes, prototypes, and high-fidelity mockups using tools like Figma and Adobe XD.
- Conducted user research, usability testing, and gathered feedback to refine designs and enhance user experience.
- Maintained design consistency across platforms by implementing and updating design systems.

Visual Designer

Dec 2021 - May 2022

Freightify - Internship - On site

- Created visual assets and graphics for digital and print materials.
- Collaborated in brainstorming sessions, contributing innovative design solutions.
- Assisted senior designers in creating wireframes, user flows, and prototypes for various features.
